Studio Services by Vackadoo

At Vackadoo, we offer a comprehensive suite of studio services meticulously designed to transform your creative concepts into reality. Our offerings encompass high-quality shooting facilities, expert post-production, and a range of supportive frameworks, all tailored to meet your unique project requirements.

Shoot Services

Our studio is equipped with advanced tools and facilities to cater to diverse content production needs, ensuring a seamless shooting experience.

Equipment

Cameras

- **Sony Camera:** Professional-grade equipment for superior-quality videography (3 angle coverage).
- **iPhone (Latest Model):** A versatile option for dynamic and portable high-quality shoots.

Microphone

- **Podcast Mics with stands:** Delivers stable and crisp audio, ideal for stationary setups.
- **Bluetooth Wireless Mic:** Provides flexibility and ease of movement, perfect for interviews and on-the-go shoots.

Lightening

- **2 Studio Lights:** Ensure consistent and professional grade illumination.
- **1 Backlight:** Enhances depth and subject-background distinction.
- **1 Fill Light:** Eliminates shadows for a balanced and polished visual finish.

Furniture

- **Comfortable Chairs:** The studio accommodates up to 3 individuals, making it suitable for interviews, panel discussions, podcasts, and creative collaborations.
- **Multi-purpose Layout:** The furniture can be rearranged to meet the specific requirements of the shoot.

Atmosphere

- **Customizable Environment:** Tailored to align with your creative direction, whether professional, relaxed, or vibrant.
- **Noise Control:** Ensures minimal distractions and optimal audio quality.

Production Services

Transform your raw footage into captivating final outputs with our expert post-production services.

- **Raw Footage Delivery:**
Access to unedited footage for additional use.
- **Fully Edited Footage:**
Professionally crafted videos tailored to your requirements.
- **Reels:**
A minimum of four dynamic reels, with additional reels created based on footage duration.
- **Diverse Editing Formats:**
Customized to suit varied styles and platforms.

Additional Framework

We offer a range of supplementary services to enhance and support your shoot and post-production needs. Please note that these services are available at an additional cost.

Script Writing:

- Development of questionnaires, queues, or structured narratives for podcasts or shoots.
- Gender-based narrators or anchors available to match your project's tone.

Content Distribution:

- Seamless publishing on Instagram and Facebook to maximize reach and engagement.

Platform Management:

- Professional handling of your digital platforms for consistent branding and growth.

Locomotive:

- Flexible arrangements to shoot at your preferred locations.

Campaigns and Consultancy

We go beyond traditional studio services, offering integrated solutions like campaigns, PR initiatives, and branded podcasts. From ideation to execution, our team delivers cohesive content strategies that align with your goals and branding.

Customizable Solutions

Every project is unique, and so are our services. All our offerings are fully customizable to meet your specific needs and creative aspirations. Whether you are planning a series of podcasts, brand PR campaigns, or a complete production journey, Vackadoo ensures your vision is brought to life with excellence.

Elevate your storytelling with Vackadoo - where creativity meets precision.
